A New Reach

Presidency College, one of the oldest colleges in Chennai with heritage buildings facing the Bay of Bengal, approached ANEW with a batch of Differently Abled (Hearing Impaired) girls, for the computer course. The difficulty of conveyance added to their disability, it is difficult for the girls to attend classes at ANEW. So ANEW decided to conduct an Outreach program at the college premises. With the help of the Rotary Club of Anna Nagar, Madras ANEW set up a computer lab with 10 computers to begin with. An ANEW certified trainer and training material have been deputed. Classes are on conducted regularly with close monitoring by ANEW staff.

Our Special Thanks to the College Principal, Dr. Pramananda Perumal; BCom Dept - HOD, Dr Kalidas and Prof Mukesh, for all the support they have given to kick start this project.

Our sincere wishes to the students whose enthusiasm is our inspiration...

Health and Hygiene Awareness Program..

Flood Relief Work at ANEW!!!

Community Awareness

As part of project work, trainees of the home nursing course conduct awareness programs to educate the general public on various health and hygiene issues. One of such program was conducted on 21.8.2015 @ MGR colony, old Thirumangalam, Anna nagar, Chennai on the topic Nutrition and Healthy food habits.

Flood

ANEW's operations were severely affected due to the rains and floods in Nov/Dec 2015. The most unfortunate were the losses that our girls suffered. At any point of time, ANEW have around 200 students in its centre, all of whom are under-privileged, undergoing training in computers, home nursing, car driving etc. Our students hail from areas such as Ambattur, Mogappair, Vyasarpadi, Palavakkam, and Maduravoil, Madhuranthakam etc all of which were deeply affected by the rains and flooding. Immediate relief had to be provided and some of them also required help with rehabilitation.

Over a three week period, ANEW undertook a focused initiative to provide food, provisions, medicines, minimum clothes, and a basic utensil kit to all its students. Additional help was provided to those more severely affected based on a needs assessment. For this purpose, ANEW diverted funds to the extent of Rs 3 lacs from donations received for training to meet these expenses. Many of our well-wishers also came forward to help with donations, both monetary and in kind. These were also fully utilised for the benefit of our students.

PAY PAL

PayPal organised "Opportunity Hack 2015", challenging developers to create solutions for nonprofits experiencing technology troubles. ANEW was one of the NGO selected among the 35 nonprofits and 300 developers from Bangalore and Chennai who participated in the 36-hour event. During the Hackathon, ANEW requested a stand-alone performance analysis tool to help the staff to collectively and effectively participate in the impact journey of the candidates. A prototype developer will create a prototype of a solution for the technology we need. The prototype will be created using open source and be available to the NGO after the event.

Nursing Certification

The Home Nursing certificates were presented to the 22 successful candidates who completed the course. Management Committee members of the 'Anjuman-E-Himayath-E-Islam' trust graced the occasion and distributed the certificates. A few of the students talked about their family background and shared how this course has given them confidence to be an income earner for their family.
