ANEW friends,

A refresher course, meant to strengthen the hands-on experience and upgrade the area of knowledge in Nursing, was conducted for our older batches of Home Nursing girls.

We are happy and proud to announce that now our Computer programs Basic IT and Desk top Publishing are being accredited by the NIIT Foundation.

Appasamy Hospitals & Soundrapandian Bone and Joint Hospitals are two new reputed hospitals who have come forward to further train our Home Nursing candidates.

Some interesting placement updates of the 2<sup>nd</sup> batch of differently - abled girls enclosed.

Joyful events by the trainees and Committee members were the highlight on this year's Teacher's Day.

Thank you for the support and we hope to share with you many more success stories in the coming years.

I wish you all a happy reading!

Sincerely,  
Dr. M. Annalakshmi  
*President*  
ANEW

### **Home Nursing Refreshers Course**

Our Home Nursing Alumni requested a refresher course to upgrade their knowledge and keep up with the latest trending requirements for patient care. Mr. Subbaiyan and Mrs. Saraswathi Senthilkumar co-ordinated and conducted a refresher course with an updated syllabus.

Special Guests Dr. Mahesh – Apollo Hospitals & Dr. Vadivel Apollo Clinic, Anna Nagar on Alzheimer, Parkinson and Dementia, Dr. Subadra & Dr. Mallika Thiruvadhanam on Palliative Care, Mr. Senthil Kumar on Physiotherapy were invited to share their experience & knowledge in their specialized fields.

Based on the success of this project, the Committee decided to conduct one such program occasionally.

### **Computer Program Accredited by NIIT Foundation**

Now our Computer programs Basic IT and Desk Top Publishing are being Accredited by the NIIT Foundation. ANEW girls get their study materials following which they undergo exams & certification by NIIT Foundation.

Our new computer teacher Ms. Jamila has undergone an online training on Basic IT and DTP with NIIT Foundation. Here, we would also like to mention that Ms. Jamila has also attended a workshop on “Yuva English” program by Tech Mahindra Foundation.

These initiatives were carried out to add more value to the course we conduct.

### **Additional Practical Training for Home Nursing trainees**

New reputed hospitals were approached to give a value added practical training to our Home nursing girls. This prepares the students with all the necessary exposure to the day-to-day on-job experience and responsibilities of Home nurse before the students actually enter into their jobs.

ANEW records its gratitude for the support given by Soundrapandian Bone & Joint Hospital and Appasamy Hospitals to offer internships for Home Nursing girls.

### Differently-Abled Placement updates

Out of 6 girls, 5 girls of the second batch of Hearing Impaired girls are placed in RK systems as Data Entry operators. We are proud of these girls who earn more than Rs. 5500 per month.

### Car Driving

Car Driving project in ANEW is in full swing. One batch of trainees who have completed training at ANEW has been sent to Hotel Savera for valet parking to have extra hands-on experience in big cars. One new batch of girls have started their initial training at ANEW.

### Voice of the trainees

Jayamary walked into ANEW to admit her daughter Kalaichelvi in the Home Nursing training at ANEW. Kalaichelvi struggling to run her family after marriage needed some additional qualification to start an earning to support her family. Jayamary was impressed with the training which her daughter attended for two days, that she also approached us to join the course. She joined the training and **both mother and daughter** are now attending their practical training at various hospitals together.

“We express our sincere thanks and gratitude to ANEW for developing self confidence in us and offering us such a training which is giving us employment opportunity as well as satisfaction” say Jayamary and Kalaiselvi.

### Teachers Day Celebration

Teacher's Day intended to be special day for the appreciation of teachers was celebrated at ANEW which included many cultural programs by our trainees to honour their teachers. The Committee also felicitated the teachers with various events and competitions.
