ANEW friends,

ANEW believes in credible governance processes and has worked hard to maintain the high standards set by our committed advisors, who are authorities in the field. ANEW stands certified for good governance by the much valued and respected independent body, a consortium of Voluntary Organizations, **Credibility Alliance**.

Recently, we have been certified by the credibility assurance team of **Give India Foundation** after an intensive review of our financial and administrative processes. ANEW has been added to the Foundation's online listing of credible organizations in India. This provides ANEW and the cause, the exposure to the Give India foundation's vast network of online donors, both residing within and outside of India. The credit goes to the team of staff and members who put in considerable effort and time to ensure the success of this application.

I am pleased to share with you that online donors have found our work credible and contributions are being made via Give India Foundation website. The link to our page on Give India Foundation is <http://www.giveindia.org/m-1364-association-for-non-traditional-employment-for-women-anew.aspx>

Thank you for your continued support and encouragement.

Sincerely,

Dr. M. Annalakshmi

### **Give India Foundation, Bank Accounts opened for our HN's**

Give India is a donation platform that allows a donor to support a cause of their choice from about 200 NGOs that have been scrutinized for transparency & credibility. ANEW is now one of the certified NGOs among 200 non-profit organizations from all over India that have met with the Give India's Listing Criteria.

In the past, our Home Nursing trainees received stipend from us during their course work at ANEW. Currently, As per Give India Foundation's requirement, the trainees have had their own bank accounts being opened in State Bank of Mysore and their stipend money is being deposited in their account directly. This by itself is an achievement, since it not only provides transparency of money transfer but also initiates our young trainees into the concept of banking.

### **Web Designing first batch**

The first batch of Web designing was successfully completed. The trainees were assessed by the NIIT Foundation through an intensive 8 hour practical examination. The trainees also received Spoken English sessions by Mrs.RadhaBalakrishnan, Retired Commissioner of Income tax. Trinity Pvt.
