

**Our mission:**

To enhance the socio-economic status of young, underprivileged women by empowering them with self-confidence and required skills to enable them to become independent and contribute to family and society.

**Our vision:**

Provide practical skills through training in non-traditional areas of employment.

Create avenues for employment by increasing awareness of ANEW's vision and mission among like-minded People in society.

Create necessary infrastructure to widen the scope and scale of training in chosen areas by mobilizing funds from individuals and institutional donors

**Features**

- *Assembly*

Every piece of service that ANEW does, whether it is campaigning for the right candidates, revamping and upgrading course material , offering the much needed employability skills , counselling those in need, assisting in placements , outreach programmes.... all this adds to delivering the difference and gives continuing credibility to our role.

Each day throws up a surprise, a new challenge! And then there are stories which appear like milestones on the road that the organization has travelled. One such is Prema's. She came in one morning proudly holding a document proclaiming her to be the owner of a piece of land! Yes, her own "place under the sun"! A milestone, indeed for her and ANEW!

Sincerely,  
Ms. Vinodini Sudhindran  
*President*

Shanthy Colony, Anna Nagar,  
Chennai – 40.

September 2015

**A NEW beginning to each day has recently been introduced at ANEW...**

Assembly is the most important feature of an educational curriculum where students learn the value of collective prayer and are exposed to the need to inculcate moral and ethical values in life. Having this in mind we have introduced an assembly where all staff & students take a pledge, to stay committed to ANEW's goals and objectives of learning and working towards a brighter and better future.

**A Special course....**

ANEW in partnership with KravMaga, Tamilnadu, conducted a path breaking new course in self defence, a system developed for the military in Israel ....young students who were keen on taking on the challenge were trained with the help of trainers from KARV MAGA and VAJRA. They are now ready as trainers to train school girls of Government run schools.

**ANEW Outreach**

Anew is reaching out to the hearing impaired girl students of the commerce department of Presidency College, Madras..... We thank the Rotary Club of Anna Nagar, The Principal and staffs for their support for this out-reach. Basic computer knowledge is essential for any kind of employment these days... Anew is imparting its (already tried and successful) specially designed course for them by sending a trainer to their premises... At ANEW the course and placement for hearing impaired women has been successfully going on for more than 3 years.....

We wish the trainer (an alumnus of ANEW) and the students all the very best!

**A morning assembly at ANEW ....**

**Certificate Distribution-Self Defence Course**

**Outreach at the Presidency College**

**Yoga Session**

**Refresher Course Certification**

**An introductory session to good health!**

As a part of international yoga day...ANEW introduced yoga to the students & those interested are being introduced to a teacher who is willing to teach them as part of her social responsibility...A healthy Mind and Body helps sustain happy families and a productive society...

---

**ANEW Mentoring start-ups**

It was a joint decision by the Committee to offer mentoring programs to startup organisations by way of sharing our knowledge and expertise. This we feel, takes ANEW to a whole new level. One such program was planned and executed for Sevelaya- a registered charitable Trust established in 1988, with activities in villages around Thiruvallur and Kancheepuram district, which wished to setup a nursing course in their community college at Thirunindravur. A trainer was identified and trained as a Nursing Instructor at ANEW. She in turn, tutored 12 students at Sevalaya. The girls are now undergoing practical training at KHM hospital, Anna Nagar. ANEW is happy to have reached out to very underprivileged young girls from the rural outskirts and given them an opportunity to train in a professional course such as Nursing.

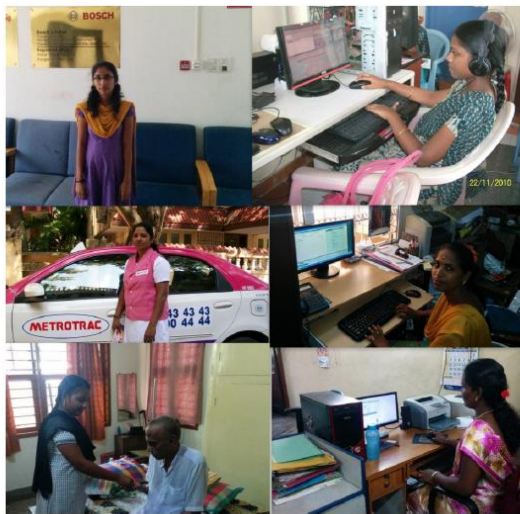

**Refresher Course**

Few of Anew's H.N. alumni had a 3 week refresher course in Nursing Care, updating their skills to serve better the households where they are placed...Physiotherapy, Cancer awareness, Palliative Care, Communication skills, Alzheimer, Dementia & TB are some of the topics covered.

A precious gift... A pedestal fan was donated by our working alumni on the certification day of their refresher batch. Thank you ladies!
